

Policy and Procedure Register updates – Summary of:

National Disability Insurance Scheme (NDIS) – Continuous Invasive Ventilation support at school procedure (*new*)

and

NDIS provider access to state schools policy (*amended*)

1. Reason for new/updated policy or procedure (<i>select all that apply</i>)		
<input checked="" type="checkbox"/> Change of policy/procedure requirements	<input type="checkbox"/> Audit/review recommendation	
<input type="checkbox"/> Change to legislation/delegations	<input type="checkbox"/> Due for review	<input checked="" type="checkbox"/> Other
<p>The updated policy and the new procedure are being implemented to support the delivery of Continuous Invasive Ventilation by NDIS providers at school during school time. The existing policy and procedure for NDIS provider access to state schools did not cover the delivery of this high risk, critical support to be delivered in a school environment by NDIS providers.</p>		
2. Summary of changes		
<p>The updated policy and the new procedure outline requirements for NDIS providers to provide continuous invasive ventilation at school during school time and supports principal decision-making, clarifying roles and responsibilities of all involved, to support the delivery of this critical support.</p>		
3. Impacts to roles and responsibilities		
Does the new/updated content change staff roles/responsibilities <i>in any way</i> ?		<input checked="" type="checkbox"/> Yes <input type="checkbox"/> No
<i>If yes, select the type of change: (select all that apply)</i>		
<input checked="" type="checkbox"/> Revised responsibilities	<input checked="" type="checkbox"/> New/additional responsibilities	<input type="checkbox"/> Removed responsibilities
Position title	Summary of change	Page #
Principal/school	Specific consideration of risks to student safety and wellbeing when terminating access of a NDIS provider providing continuous invasive ventilation, acknowledging the critical nature of this support.	Pages 2 and 5
General references in the amended policy	Continuous invasive ventilation added throughout the Policy to reflect the NDIS provider access in relation to the delivery of continuous invasive ventilation.	Throughout the document
New procedure and related documents	Please refer to the new procedure for respective responsibilities of all involved in the delivery of continuous invasive ventilation support at school during school time.	Please refer to the new procedure
4. Communication and support for implementation		
<p>Due to the specialised nature of the procedure, relevant stakeholders have been engaged during the procedure development, and will be supported through the implementation as required.</p>
