Education Queensland International (EQI) provides free airport pickup and domestic transfer assistance for all students entering the International Student Programs (ISP) homestay program at the commencement of their studies.

This assistance is only available for flights that arrive between 6:00 AM and 9:00 PM.

Please allow 3 to 4 hours between connecting flights for domestic transfers. If you are arriving with family, please advise the school coordinator and let them know if your family requires transport assistance to their accommodation. This will incur an additional cost.

Free airport pickup and homestay accommodation is for the student only. Students participating in the homestay program and travelling with family must ensure that family members have made other accommodation arrangements.

Students must carry a copy of this form with them on arrival in Australia. Please note it can take up to 2 hours to clear customs at the airport.

EQI and your host school wish you a safe and pleasant journey.

Please complete and return this form to your school as soon as possible.
