

International Student Programs student transfer request form

This form is to be used by [overseas students](#) enrolled in Education Queensland International (EQI) International Student Programs (ISP), who wish to transfer to another EQI, ISP school (internal transfer) or another CRICOS registered education provider (external transfer).

Before you submit this form, you should consider application deadlines for other schools or providers and speak to your international student coordinator and school guidance officer to discuss your educational pathways, the transfer process and the appropriate time to transfer. If your request to transfer is approved, you may be entitled to a refund of unused tuition and/or homestay fees, in line with EQI's, refund policy outlined in the [ISP standard terms and conditions](#). Please refer to your enrolment agreement for further information.

Only complete forms are assessed. EQI will assess your request and advise you, in writing, of our decision within 10 working days (external transfer) or 20 working days (internal transfer). For external transfers, if your request is approved, the date and reason for the transfer will be recorded in the Provider Registration and International Student Management System, as required by Australian law.
