Living Away from Home Allowances Scheme (LAFHAS)

Version effective: 22/11/2019
Version: 5.2

Audience

This procedure applies to Finance and Human Resources (HR) teams involved in the processing of Living Away from Home Allowances Scheme (LAFHAS) applications.

Purpose

This procedure outlines the steps to be followed when an application for LAFHAS is received by the department.

This procedure should be read in conjunction with the eligibility criteria as outlined in the [LAFHAS Applicant guidelines](#) and other supporting documents.

Overview

The LAFHAS supports eligible Queensland families whose children need to live away from home to attend a state school or an accredited non-state school. This may be due to geographical isolation and/or the nearest school is a bypass school.

Eligibility for LAFHAS assistance is based on the distance from students' homes to the nearest Queensland Government state school facility with the required year level.

Applicants must apply for LAFHAS annually. Successful applicants receive benefits in two instalments aligned with school semesters. Students can attract a combination of allowances depending on their individual circumstances, which include:-

- Remote Area Tuition Allowance (RATuA)—helps pay tuition fees charged by non-state boarding schools
- Remote Area Travel Allowance (RATrA)—helps pay a student's travel costs between home and boarding location during holidays
- Remote Area Allowance (RAA)—contributes to the cost of boarding at a state high school campus, to complete approved agricultural courses equivalent to and in lieu of Years 11 and 12.
- Remote Area Disability Supplement (RADS)—contributes towards additional costs associated with educating high needs students who are required to board away from home.

The closing date for receipt of application forms is 31 December each year. Applications received after this date are not eligible for any entitlement. No retrospective payment is made for previous years.

Students who are eligible for assistance under the LAFHAS may also be eligible for the Australian Government Assistance for Isolated Children (AIC) Scheme.
