

Procedure

Ongoing enrolment – Subclass 500 (schools) visa

Version effective: 24/01/2020
Version: 1.1

Audience

Education Queensland International staff ([EQI staff](#)), EQI [school staff](#), [Overseas students](#), EQI [homestay providers](#), [parents/Department of Home Affairs \(DHA\) approved guardians](#) of Overseas students and [agents](#).

Purpose

This procedure outlines the roles and responsibilities of school staff and EQI, and the steps they follow to monitor study, wellbeing and behaviour of Overseas students, as well as manage amendments or the cancellation of an Overseas student's enrolment, where required.

Overview

EQI and [schools](#) ensure Overseas students are provided with ongoing support throughout their enrolment, both through learning and wellbeing support services.

School staff follow the department's [Student Learning and Wellbeing Framework](#) to ensure strategies to improve learning outcomes have a focus on Overseas student wellbeing and create a positive school culture.

Wellbeing and behaviour

The expected standards of Overseas student behaviour are outlined in the [Standard terms and conditions](#) and the individual schools' Department of Education (DoE) [Student code of conduct](#). EQI may cancel an Overseas student's enrolment due to student behaviour after ensuring that natural justice has been provided. If EQI decides to cancel an Overseas student's enrolment due to Overseas student behaviour, that decision will not take effect until the internal appeals process is completed, unless the Overseas student's health or wellbeing, or the wellbeing of others is likely to be at risk. Where the Overseas student's health or wellbeing, or the wellbeing of others is likely to be at risk, EQI may commence the process to immediately cancel an Overseas student's enrolment. Student behaviour is defined in the individual schools' DoE Student code of conduct and the responsibility and processes to promote, safe, supportive and disciplined learning environments in Queensland State Schools is outlined in the DoE [Student discipline](#) procedure.

Changes to enrolment

A change to enrolment that modifies the course length and/or course type will only be granted as outlined in the [Standard terms and conditions](#). For example, advancing from a Junior High School course (Year 10) to a Senior

High School course (Year 11) will impact the duration of the course as well as the type of course the Overseas student is enrolled in. Any time a change to enrolment modifies the course length and/or course type, EQI is required to inform the Australian Government within 14 days.

Any time a change to enrolment modifies the course length and/or course type, EQI is required to issue a new [Confirmation of Enrolment](#) (CoE) while cancelling the previous CoE.

Cancellations

Overseas students can request to cancel their enrolment, in writing, at any time as outlined in the [Standard terms and conditions](#) of their [Enrolment agreement](#). Overseas students should refer to the [Transfers – Subclass 500 \(schools\) visa procedure](#) if they want to cancel their enrolment in order to transfer to a different Commonwealth Register of Institutions and Courses for Overseas Students (CRICOS) registered provider.

EQI may also initiate a cancellation of enrolment as outlined in the [Standard terms and conditions](#).

If an Overseas student's enrolment is cancelled, and the Overseas student is living with a homestay provider, the Overseas student, EQI staff and school staff should refer to the [Change of welfare – Subclass 500 \(schools\) visa procedure](#) to ensure appropriate welfare arrangements are in place for the Overseas student. EQI reports cancellations of enrolment to the Australian Government, as required by Australian law. This can affect the Overseas student's visa.

Refunds are paid in accordance with the Refund policy as outlined in the [Standard terms and conditions](#).

 - if there are concerns in relation to homestay, refer to [DEi student homestay placement procedure](#)
 - if there are concerns in relation to academic progress, refer to the [Course progress – Subclass](#)

[500 \(schools\) visa procedure](#)

- refer to subheading 2.1 for changes to enrolment
- identify when the Overseas student's behaviour is not in line with the DoE Student code of conduct, or the [Standard terms and conditions](#) but does not warrant escalation to the principal or urgent referral to the Director, ISP, EQI:
 - discuss the Overseas student's behaviour, referring to the school's rules, DoE Student code of conduct, the [Standard terms and conditions](#) and potential consequences for misbehaviour (for example, enrolment may be cancelled, which could result in their visa being cancelled)

- document discussions and interventions as a record of contact in OneSchool

- inform the homestay provider (if applicable) of any disciplinary consequence or when welfare is identified as being at risk (for example, [Behaviour warning letter](#) [DoE employees only])
- in the case of an Overseas student disciplinary absence, ensure appropriate supervision requirements are in place as per the DoE [Student discipline](#) procedure, [Change of welfare – Subclass 500 \(schools\) visa procedure](#) and the [DEi student homestay placement procedure](#).

School principal

- where there is a reasonable suspicion of harm to Overseas students, whether it is related to physical, sexual or emotional abuse, or neglect, adhere to the [Student protection procedure and guidelines](#) and the [Incident management procedure](#).

- decide on the disciplinary consequence as per DoE Student discipline procedure
- for misconduct (for example, homestay misconduct) or when the Overseas student's wellbeing is identified as at risk:

 - meet with the Overseas student and (if possible) parent/DHA approved guardian or homestay provider to discuss wellbeing concerns or unsatisfactory behaviour, reinforcing the [Standard terms and conditions](#) and the consequences for non-compliance and/or the welfare implications when wellbeing is at risk (if the Overseas student's parent/DHA approved guardian or homestay provider is unable to attend meeting, meet with the Overseas student and liaise with the parent/DHA approved guardian after the meeting)
 - review intervention strategies that are in place to ensure they are still appropriate and adjust if required

EQI staff

- assist school staff with implementing intervention strategies to support the Overseas student's health and wellbeing

based on the evidence provided, or suspended based on compassionate and compelling grounds (such as charge related, refer to [Suspension of enrolment – Subclass 500 \(schools\) visa](#))

- within three working days of receiving notification for other cancellations (such as non-payment of fees), decide whether to initiate a cancellation of the Overseas student's enrolment based on the evidence provided:

- follow [Complaints and appeals procedure – Subclass 500 \(schools\) visa](#) if the **Notice of intention to cancel enrolment decision** is appealed.
