Managing risks in school curriculum activities flowchart

This document summarises the process outlined in the Managing risks in school curriculum activities procedure.

REVIEWING

Report all injuries, illnesses and dangerous incidents that occurred.

Amend the documentation to add or modify the hazards, risks and control measures.

All resources to support the *Managing risks in* school curriculum activities procedure, including the CARA planner, the CARA generic template and the CARA guidelines, can be accessed from the CARA process webpage.
